

## Round Marine Grade Polymer Tahoe Balcony Height Dining Table, 36" or 48"

SKU: RPKD3605T

### Description

Outfit your balcony or patio with our Round Dining Table with an MGP slat top. The slatted tabletop is made with marine-grade polymer in your choice of solid color or faux wood. Pick the 36" diameter top for casual spaces or the larger 48" for bigger dining halls. Comes with the option to add a central umbrella hole that suits standard poles. The base is made with MGP and features footrests providing guests with a place to prop their feet. Pair this table with our balcony height chairs to complete your patio set today!
