

Quick Ship 18" Stackable Fiberglass Side Table with Commercial White Aluminum Frame - 11 Lbs.

SKU: RPWT1801F-QS

Description

This quick shipping stackable fiberglass side table is perfect for commercial or residential use. The white 1" diameter aluminum frame is powder-coated for durability. The white fiberglass tabletop is ideal for withstanding salt, chlorine, and environmental corrosion. This tea table looks great between two chaise lounges on a sunny day, offering a convenient spot for cocktails or a book. The white-on-white style ships quickly! Call our staff today for a free lead time quote on more color options.
