Description

The St. Maarten II Low Profile Stackable Vinyl Strap Chaise Lounge offers a comfortable and durable outdoor seating solution for commercial environments. Built for beachfront resorts, hotels, and HOAs, it features a powder-coated aluminum frame and 2" virgin vinyl straps for lasting comfort and durability. The sled base works well on sand, grass, and hard surfaces, with optional Nylon Super Glides for tile protection. With a 12" seat height and stackable design, it provides easy access and storage while maintaining style. Made in the USA, this chaise lounge combines affordability with commercial-grade quality.
