Description

The St. Maarten II Vinyl Strap Pool Lounge Chair features a 16" elevated seat height and is designed for commercial use in beach hotels, resorts, and HOAs. Its 1" round aluminum frame with powder coating and 2" virgin vinyl straps provide durability and comfort in high-traffic outdoor areas. The sled base prevents sinking in sand or grass, while aluminum skids protect hard surfaces. Built for commercial environments, this chair combines accessibility, durability, and style.
