Description

The St. Maarten II Straight Round Fiberglass Side Patio Table (18" or 20") combines style and functionality for outdoor spaces. Perfect for hotels, pools, and clubhouses, this compact table offers convenient surface space without occupying too much room. Its durable fiberglass top and powder-coated aluminum frame ensure weather resistance, while stainless steel hardware provides stability. Made in the USA, it pairs beautifully with other St. Maarten II furniture pieces, delivering both elegance and durability for any outdoor setting.
