Description

The St. Maarten II Standard Stackable Sling Chaise Lounge elevates outdoor spaces, making it perfect for commercial pools, resorts, and beaches. This lounge chair combines comfort, durability, and style to give guests a relaxing, luxurious experience. Its high-quality marine-grade sling fabric is double-stitched for strength and support, ensuring lasting comfort. The 1" round aluminum frame features powder coating and provides lightweight yet sturdy construction—ideal for high-traffic areas. The chair's stackable design makes storage efficient and space-saving. A practical sled base prevents sinking in sand or grass, while solid aluminum skids and nylon super glides protect surfaces and ensure smooth movement. Made in the USA, the St. Maarten II comes with a 5-year Commercial Warranty on the frame and a 1-year warranty on the sling, ensuring reliable performance in any outdoor setting.
