Description

The St. Maarten II Elevated Stackable Sling Chaise Lounge is a premium commercial-grade seating solution with a 16" seat height for easy access. Features include a powder-coated aluminum frame, marine-grade double-stitched sling fabric, and stackable design for efficient storage. The sled base prevents sinking on sand or grass, while aluminum skids and nylon glides protect surfaces. Made in USA with a 5-year frame warranty and 1-year fabric warranty. Available with matching St. Maarten II collection pieces.
