Description

The St. Maarten II Straight Round Acrylic Side Poolside Table (18" or 24") combines style and functionality for outdoor spaces. Perfect for hotels, HOAs, and resorts, this elegant table fits between chaise lounges for convenient guest use. Features include a sophisticated hammered-finish acrylic top, durable 1-inch aluminum frame with stainless steel hardware, and powder coating for weather resistance. Full-circumference welds ensure stability in high-traffic areas, making it an ideal choice for enhancing outdoor settings.
