

BRIDGEWATER

- Flexible fiberglass ribs with molded nylon joints and end tips
- FiberTeak™ finishes on poles and finials simulate the look and feel of real wood
- The poles are made with heavy duty aluminum cores and a protective, textured fiberglass coating for excellent durability
- Stainless steel hardware
- Single, sewn-in vent and storage ties are standard
- Custom top options include extra large vent, double vent, valance, alternating panels, trim, banding and logos.
- Standard tops are made of marine or furniture grade, solution dyed acrylic.
Tops are also available in COM.
- Pulley & Pin lift is available in place of Push Up & Pin. When ordering change the end of the model number from PU to PP.
