Cafe 6 Seating

A durable, comfortable and strikingly colorful solid fiberglass table and seating arrangement that will provide style and enjoyment for many years. Some have been in service for fifteen years or more!

A wide range of long-lasting colors will enhance your decor and color scheme. Our commercial grade two-part (catalyzed) polyurethane paint is **guaranteed not to crack, fade or peel for three years...** and there are over one hundred color choices.

Built-in umbrella holder is part of the design, Prevents wobbling and provides more foot space.

The frames are built to last. The supports are powder coated for durability and bolted together with high- grade stainless steel hardware.

Security is provided by drilled flanges and *hidden bolt holes* so that the table can be permanently affixed to a floor, patio or concrete deck.
