Assembly Required: No

Description

Perfect for use within or around the pool, the Waters Edge Collection is guaranteed to make a striking impression in any outdoor setting. Crafted from marine-grade polymer, a waterproof material resistant to rot, swelling, or delamination even in chlorinated or saltwater environments, this collection ensures durability, comfort and style for your outdoor spaces.

- **Marine Grade Polymer Excellence:** Crafted from High Density Polyethylene (HDPE), a premium form of Marine Grade Polymer. This advanced material ensures the longevity and resilience of your outdoor seating, even in the most demanding environments.
- **Built to Resist the Elements:** MGP is a champion against the elements. It resists rot, swelling, blistering, and delamination, ensuring your furniture remains as sturdy and appealing for years to come.
- **Non-Porous and Effortlessly Clean:** The non-porous nature of MGP makes cleaning a breeze. Say goodbye to absorbed dirt, chemicals, or liquids.
- **Salt Water and Chlorine Resistant:** Ideal for coastal retreats and poolside lounging, MGP stands up to salt water and chlorinated environments without fading or degradation.
- **Strength and Durability Unmatched:** Engineered for longevity, the strength and durability of MGP make Windward Adirondack Chairs the perfect choice for both commercial and coastal settings. Invest in furniture that stands the test of time.
