Covina Sling Dining Arm Chair

The Covina Sling Collection is made from Starboard Marine Grade Polymer (MGP). This collection has straight braces and a curved arm design.

Frame: Marine Grade Polymer.

Available in Two-tone with LuxeWood Recycled Polymer Arm accents

Material: Sling or Padded Sling

MGP will not rot, swell, blister or delaminate and will hold up in salt water and chlorinated environments without fading or breaking down. As a non-porous material, it is easy to clean and does not absorb dirt, chemicals, or any liquids (including red wine and permanent marker). MGP is 100% recyclable as well as environmentally friendly and made in the USA.
