

48" Dining Table

Acrylic tables offer a sophisticated look to any outdoor setting and pair well with all aluminum collections. Tables feature a welded aluminum base with an obscured acrylic top within a captured aluminum rim. Acrylic tables are available in your choice of gloss or textured frame finish and are a great solution for both residential and commercial applications.

*This table is available with or without an umbrella hole. To add an umbrella hole add a "U" to the end of the product number.
