Description

This 36" round Kingston Bar Height Table is great for outdoor bars, hotel lounges, cafes, and patios. Made from 100% solid marine-grade polymer that is strong against harsh weather and won't splinter. MGP is nonporous so it is easy to wipe clean and doesn't collect moisture. The tabletop features a unique pattern resembling shiplap and comes in several color options. With a height of 42", this bar table is perfect for cocktails by the pool or looking out over the coastline. This table pairs great with our Kingston seating collection. Give us a call to furnish your deck, patio, HOA, resort, or hotel.
