

## 42"x76" Oval Marine Grade Polymer Newport Dining Table

SKU: RPKD4276-28NU

### Description

Our oval MGP table is a great addition to resort patios, poolsides, and dining halls. The 76" wide tabletop has plenty of room for two chairs on each side plus a chair on either end for up to 6 chairs total around the table. Topped with a marine grade polymer designed to withstand bad weather, saltwater, and a chlorinated environment. MGP is low maintenance and will not rot, mold, swell, or blister. The tabletop is mounted on a durable aluminum frame and powder-coated with the chosen color to protect against rust. Add a central hole for an umbrella at no additional charge. For large parties, the 42"x76" Oval Dining Table will be your go to!
